Digital Sensor Extension Cable

CHF 23.89 *

Inhalt: 1 Stück

inkl. MwSt. zzgl. Versandkosten
Lieferzeit 21 Werktage

Produktinformationen "Digital Sensor Extension Cable"

For use with Vernier digital sensors.
Most of Vernier sensors have cables that are 1.5 m long. There are times, however, that you may wish to have a longer cable. The Digital Sensor Extension Cable can be used with any Vernier sensor that connects to a digital channel of one of our interfaces. The port will be labeled DIG1 or DIG2. Each cable is 2 meters in length.
