Produktinformationen "Replacement Battery for LabQuest® 2 and LabQuest Stream™"

This is a replacement high-capacity, rechargeable, lithium-ion battery for the Vernier LabQuest 2 or LabQuest Stream. These batteries include a one-year warranty. With typical school use, however, the batteries will last for three years or more. [More information about battery life »](#)

If you're having problems with the battery, please see these [troubleshooting tips »](#)

If you are replacing a battery, please be sure to dispose of the old battery properly.
