

USB Charger

14282 LMP SmartCharger 5-Port

Key Features

- 5-Port USB
- Automatic amp adjustment and power distribution
- Maximum single port output: 5V 2.4A / 12W
- Maximum total output (all ports): 5V 8A / 40W
- Advanced safety features keep you and your devices safe

Description	LMP SmartCharger, 5 port charger for iPhone, iPad, etc., 5V 8A / 40W, max. 5V 2.4A / 12W per port, USB
Order info	P/N 14282 EAN 7640113431631
Interfaces	5x USB, with max. 5V 8A / 40W
Compatibility	Smartphones, Smartwatches, Tablets, MP3 Players, GPS, etc.
Safety Protection	Over current protection, over voltage protection, short circuit protection, over temperature protection, fire resistant materials (grade V-O)
Dimensions	95.6 x 59.6 x 26 mm 160 g
Package content	LMP SmartCharger 5-Port, 1.5 m AC power cord 2-prung EU plug

14422 LMP USB Single Port Wall Charger 14425 LMP USB Dual Port Wall Charger

Key Features

- 1-Port USB respective 2-Port USB
- Supports 100V to 240V input voltage
- Advanced safety features keep you and your devices safe
- Port output P/N 14422: 5V 2.4A / 12W
- Port output P/N 14425: variable power distribution between both ports max. 5V 2.4A / 12W and 5V 1A / 5W

Description	LMP USB Power Adapter 12W, wall charger, 5V/2.4A LMP USB Dual Power Adapter 17W, dual wall charger, 5V/3A
Order info	P/N 14422 EAN 7640113431662 P/N 14425 EAN 7640113431679
Interfaces	14422: 1x USB with 5V 2.4A / 12W 14425: 2x USB with 5V 2.4A / 12W and 5V 1A / 5W
Compatibility	Smartphones, Smartwatches, Tablets, MP3 Players, GPS, etc.
Security features	Over current protection, over voltage protection, short circuit protection, over temperature protection
Dimensions	37 x 53 x 14 mm 30 g (1-Port 14422) 37 x 53 x 20 mm 45 g (2-Port 14425)
Package content	LMP USB Single Port Wall Charger LMP USB Dual Port Wall Charger

14428 LMP USB Dual Port Car Charger

Key Features

- 2-Port USB
- Cigarette lighter with 12V (Pkw) and 24V (Lkw)
- Maximum single port output: 5V 2.4A / 12W
- Advanced safety features keep you and your devices safe

Description	LMP USB Auto Adapter 24W, Dual Port Ladegerät mit 5V/4.8A
Order info	P/N 14428 EAN 7640113431686
Interfaces	2x USB mit je 5V 2.4A / 12W
Compatibility	Supports 12V (cars) as well as 24V (trucks) input voltage
Security features	Over current protection, over voltage protection, short circuit protection, over temperature protection
Dimensions	24 x 24 x 63 mm 25 g
Package content	LMP USB Dual Port Car Charger
